Have you asked yourself lately how you can give back to your community? If so, please consider a donation to Beaufort County Developmental Center (BCDC), the largest non-profit organization in Beaufort County. As a non-profit agency, Beaufort County Developmental Center is constantly seeking ways to increase funding sources. We continue to write grants for special projects, as well as, solicit funds from the community to assist with daily operations. We appreciate the monetary gifts that we receive, but we also know that not everyone is able to donate financially. If you are one of those persons, and wish to support BCDC, there are other ways that you can contribute. This wish/needs list is compiled, by department, of items needed and or desired for our programs. If you have something that is not on the list – please call us and we will see if we can use it. Because of strict health, accrediting and licensing requirements, donated items must be in excellent condition. Donations of computer and related technology equipment must meet minimum requirements.

Your contribution will help us continue our powerful history of service to citizens with developmental disabilities — a service which has been provided to Beaufort County families by BCDC since 1974. All donations to BCDC are used to support our consumers and are tax-deductible.

In addition, we are also seeking individuals who would like to volunteer to assist staff members in our seniors program. For more information, please contact Pam Daw (252-946-0151, ext. 220).
